Funeral Receptions

Our team at the Crown Spa Hotel have many years experience in sympathetically attending to your requirements at this most difficult time.

Organising an after funeral reception at home at this difficult time can add to the stress of losing a family member or close friend. Let our staff help you organise the after-funeral reception from any size of gathering up to 200 mourners.

One of our managers will personally greet you and your guests upon arrival and direct you to your private suite. Please note that we do not charge for the private use of our function rooms for funeral receptions. Our attentive staff will look after you and serve refreshments, and stay on hand for any other requirements you have, or remain nearby if you require greater privacy.

Private bars or specific reception drinks can all be arranged, and our hotel florist is available for floral displays if required.

Please do contact a member of our “Eventassure” conference and events team to arrange a show round of the function suites available, or one of our Duty Managers will be very happy to assist you.
